   Compliant: The products are compliant with Directive 2011/65/EU and (EU) 2015/863.
   The following exemptions are applied to some of our products.
   Exemptions:
   - Annex III 7(a): Lead in high melting temperature type solders (i.e. lead-based alloys containing 85% by weight or more lead)
   - Annex III 7(c)-I: Electrical and electric components containing lead in a glass or ceramic other than dielectric ceramic in capacitors, e.g. piezoelectronic devices, or in a glass or ceramic matrix compound
   Not Compliant: The products contain lead at their terminals, and aren’t compliant with EU RoHS.

2. China RoHS
   Contents of toxic or hazardous substances
   - O: The amount of this toxic or hazardous substances contained in all of the homogeneous materials for this product is below the limit requirements in the China National Standard GB/T 26572.
   - X: The amount of this toxic or hazardous substance contained in at least one of the homogeneous materials used for this product is above the limit requirements in the China National Standard GB/T 26572.
   - e: "e" for Environment-Friendly Use Period (EFUP) stands for the ( ) label, indicating that the product contains less than the maximum concentration value of all six hazardous substances.
   - 10 years: "10 years" for EFUP stands for the ( ) label, indicating an EFUP of 10 years.
